LIBRARY RE-OPENING ANNOUNCEMENT

VERSE FOR AMERICA
*May our feeling penetrate
To the centerpoint of our hearts
And seek, in love, to unite itself
With human beings of like goal
And with spirit beings, full of grace,
Who Strengthen us from realms of light
And illuminate our love
While gazing down
On our earnest, heart-felt striving.*
Rudolf Steiner, 1923

Dear Members of Anthroposophy NYC,

We are pleased to inform you that the Library at Anthroposophy NYC will be re-opened to all current members of the New York branch starting September 2010. If you wish to borrow books from the library or wish to become part of the Library Committee or simply would like to help as a volunteer, please contact Albert Spekman or Monica Gonzalez, or simply come during bookstore hours and speak with Sylvia Mandel.

The use of the library is free to current members.

The library places over 2,000 books at your disposal. They are arranged into two sections: books by Rudolf Steiner arranged by title, and books by other authors arranged by author. We are proud to offer you a great selection of titles on varied themes: Esoteric Studies, Meditation, Inner Development, Reincarnation and Karma, Life after Death, Social Renewal, the Gospels, Nature and Biodynamics, and the Arts. We invite you to make use of this valuable resource.

Procedures for borrowing books are stated on the next page.

Sincerely,

THE COUNCIL
