DECEMBER 2009

VERSE FOR AMERICA

May our feeling penetrate
To the centerpoint of our hearts
And seek, in love, to unite itself
With human beings of like goal
And with spirit beings, full of grace,
Who Strengthen us from realms of light
And illuminate our love
While gazing down
On our earnest, heart-felt striving.

ANNUAL MEMBERSHIP RENEWAL
January 1 – December 31, 2010

Dear Members and Friends,

We would like to take this opportunity to invite you to join or renew your membership in Centerpoint: The New York Branch of the Anthroposophical Society in America.

The New York Branch is dedicated to cultivating anthroposophy and sharing its gifts. Our goal is to continue to grow as a center where spiritually-seeking individuals can meet each other and work together. As in the past year, we will continue to have exceptional programs, exhibits, and social events, including a significant event in March, "Anthroposophy in New York and America: 100 Years and Onward." The celebration of festivals, our rich offerings in art, drama, music, movement, and exploring New York City's vast cultural wealth will proceed as usual. Alongside individual programs and ongoing courses, we have numerous study groups, among them the two most recently formed groups – "Festival Study Group" and "The George O'Neil Group" – and "The St Mark Group," the oldest anthroposophical group in the US, started in New York City 100 years ago. These provide the ground note of vital Centerpoint community life.

Membership offers you discounts on programs and access to our large library – and we recently added a benefit of a free issue of Lilipoh to all NY Branch members, four times a year (a \$20 value). Please bear in mind, too, that membership offers the privilege of having a voice in Branch affairs through participation in our periodic business meetings. To remain healthy as a community, we need your voice, your insights and your caring. Whether as continuing or as new members, by joining you signal your support for the shared life of community – which at Centerpoint remains non-profit, all-volunteer, and fully committed to working in and for the spirit of our times. Please complete the form below and mail it back to us at the address indicated.
